PROFILE

Have a high proficiency in the front-end sphere and commercial experience in modern development processes.

I am a purposeful person who is looking for new opportunities in Front-end Development. Can adapt quickly, goal-oriented, and motivated for personal and career growth. Always ready to improve my skill.

I am looking for a job in the position of Middle JavaScript / React.js developer.

EXPERIENCE

JS Developer

airSlate | From March 2022 to the present

E-sign. An enterprise-grade eSignature that scales with your workflow. The app provides tools that empower individuals and businesses to digitize their approval processes, eliminate errors, create productive teams and easily integrate eSignatures into the apps and systems.
